InterWeave Smart Solutions deliver a complete integration process for popular business applications. Let's look at a favorite, IntelCRM.com and QuickBooks. With **InterWeave Smart** Solutions, you can purchase, configure and run a customized integration process for these applications that integrate all standard IntelCRM objects (Accounts, Contacts, Opportunities, Products, Cases) to all standard QuickBooks objects (Customers, Contacts, Sales Orders, Sales Receipts, Invoices, Estimates, Jobs, Items); configure, test, run. Or, if you need sophisticated customization – call us - we do this every day.

You don't need to be a technical resource, analyst or developer. We supply the **Smart** Solution, the servers, the support personnel and most important; we supply the application knowledge at a process, data and technical level through years of working with these applications — all in configurable form.

There are a variety of **InterWeave Smart** Solutions available; from CRM, Financial, ERP, eCommerce, Billing, Telephony, Customer Service and more. Contact us at 203 274 5226, email sales@interweave.biz or go to www.interweave.biz.
