Customer Profile

When you are looking for a professional to help you solve problems, realize opportunities, improve results, fill a key expertise or resource gap, or assist with any other critical initiative at your organization — and you want a professional who has done it before with proven success — it's time to talk to us.

With Patina as your partner, you can tap into the specialized competencies you need from accomplished professionals outside your organization — precisely when you need them. We'll make sure to understand your needs and proactively bring solutions to your challenges. Consider us a high-impact contributor, giving you superior value through a combination of proven experience, flexible solutions and competitive rates.

And because of our highly flexible and collaborative approach, we can tailor the number of hours and duration of projects and engagements to meet your unique requirements and situation.

Vendor Profile
