InterWeave Smart Solutions deliver a complete integration process for popular business applications. Let's look at a favorite, Oracle Sales Cloud.com and Sage. With **InterWeave Smart Solutions**, you can purchase, configure and run a customized integration Solution for these applications that integrate all standard Oracle Sales Cloud objects (Accounts, Contacts, Opportunities, Products, Cases) to all standard Sage objects (Customers, Contacts, Sales Orders, Sales Receipts, Invoices, Estimates, Jobs, Items); configure, test, run. Or, if you need sophisticated customization – call us - we do this every day.

You don't need to be a technical resource, analyst or developer. We supply the **Smart** Solution, the servers, the support personnel and most important; we supply the application knowledge at a process, data and technical level through years of working with these applications — all in configurable form.

There are a variety of **InterWeave Smart Solutions** available; from CRM, Financial, Payment Gateways, ERP, eCommerce, Billing, Telephony and more. Contact us at 203 274 5226, email sales@interweave.biz or www.interweave.biz.
