## SALESFORCE(SCOUT)\_QUICKBOOKS

InterWeave **SMART** Solutions deliver powerful yet easy-to-use configurable integration Solutions for Scout customers, allowing seamless integration of data from Salesforce(Scout) to Quickbooks.

### Introducing InterWeave Smart Solutions

Scout is the first native complete ERP Inventory and Manufacturing Control application in Salesforce.com. With Scout, users can take advantage of wireless bar code scanners to create back room efficiencies never seen before. Integrate Salesforce (Scout) with QuickBooks, and now you have dynamic inventory information available that populates QuickBooks in real-time.

Scout Software is a leading supply chain software / inventory managements software provider serving businesses in the retail, manufacturing, distribution, and medical sectors. The company capitalized on the growing need for SAAS (software as a service) based supply chain / inventory management
