

Integration Solutions made Easy

InterWeave Smart Solutions

SUGARCRM_MS DYNAMICS

InterWeave **SMART** Solutions deliver powerful yet easy-to-use configurable integration Solutions for SugarCRM customers, allowing seamless integration of data uni or bi-directional from SugarCRM to MS Dynamics.

Introducing InterWeave Smart Solutions

Running multiple applications that have specific integration needs, but minimal IT support, is a daily reality for all size business owners today. We have a solution for you – **InterWeave Smart Solutions**. Why buy a widget when you can have the whole Solution?

InterWeave Smart Solutions are Different:

- Complete, pre-built integration Solutions - between "Best of Breed" applications
- All processes, workflow logic, mapping is ready for you to configure - with a mouse and the web
- **Smart** Solutions are completely configurable by the customer with pick lists, drop downs and custom fields
- Start-ups, SMB or Enterprise - select exactly the right type of configuration model for you - modify at any time
- Extensive portfolio of **Smart** Solutions waiting for you to configure
- Complete outsource packages available - no software, no hardware, no developers, no overhead - just sign and go

InterWeave Smart Solutions deliver a complete integration process for popular business applications. Let's look at a favorite, SugarCRM.com and MS Dynamics. With **InterWeave Smart Solutions**, you can purchase, configure and run a customized integration Solution for these applications that integrate all standard SugarCRM objects (Accounts, Contacts, Quotes, Products, Cases) to all standard MS Dynamics objects (Customers, Contacts, Sales Orders, Sales Receipts, Invoices, Estimates, Jobs, Items); configure, test, run. Or, if you need sophisticated customization – call us - we do this every day.

You don't need to be a technical resource, analyst or developer. We supply the **Smart** Solution, the servers, the support personnel and most important; we supply the application knowledge at a process, data and technical level through years of working with these applications — all in configurable form.

There are a variety of **InterWeave Smart Solutions** available; from CRM, Financial, Payment Gateways, ERP, eCommerce, Billing, Telephony and more. Contact us at 203 274 5226, email sales@interweave.biz or www.interweave.biz.
